Skills

Leadership, Collaboration, Time Management, Work Ethic, Communication,
Conflict Resolution, Goal Oriented, Problem Solving

Experience

Arizona State University/ Biological Sciences Graduate

August 2017 - December 2020, Tempe AZ 82581

I took 4 years of biology, chemistry, and/or physics with their associated labs.

Affiliated Pediatric Dentistry and Orthodontics / Lab Technician

June 2016- January 2017, 6868 E Becker Ln Ste 101, Scottsdale AZ 85254

An intern promoted to Lab technician who stocked, sterilized dental equipment, kept a positive attitude, and adapted to changing circumstances

Center for Research Engineering Science and Technology / Student

August 2013 - May 2017, 3950 E Bell Rd, Phoenix, AZ 85032

Research based projects were completed, along with laboratory based courses (microbiology, genetics, principles of biotechnology, and cell biology) and an internship. The first project was freshman year and mostly an introduction to how research projects work. Another one was a mock drug presentation based on a new drug coming to market (Galapagos- filgotinib to treat RA and I have the research poster). My final research project was conducted by me and Katelyn Sutherland (Psychological and Physiological Effects of Audible Frequencies). None of the projects were published, but the final research project was presented at the CREST symposium and the local science fair.

Education

UWSOD/ DDS

July 2021 - Current, 1959 NE Pacific St, Ste. B-307, Seattle, WA 98195
